

Capacity Reduction Allocation Path for Season Ticket Holders

- All seating is based on Williams Education Fund Membership Level & Priority Points within level.
- If applicable, seat location picked during Select-A-Seat
- First seating factor is West or East side of the stadium. In some cases, season ticket holders were relocated to the opposite side of the stadium to accommodate same Tier and proximity to mid-field.
- Only accounts that picked below row 9 will be seated in those rows (exception made for section outside bench area and public accounts).
- Accounts with multiple seatblocks were grouped to assist with capacity and social distancing.
- Lower Section 8 & 9 held for Player Guest
- Lower Section 3 held for Football Recruits
