

Navigating the Williams Fund Online Pledge/Donation System

<https://williamsfund.com/>

If you have been a member recently, click the “Sign In” button. Sign in if you already have an online account. You may use your email address or account number and password. Click on “Forgot Password?” if you do not know your password. Kansas Athletics staff members cannot see passwords.

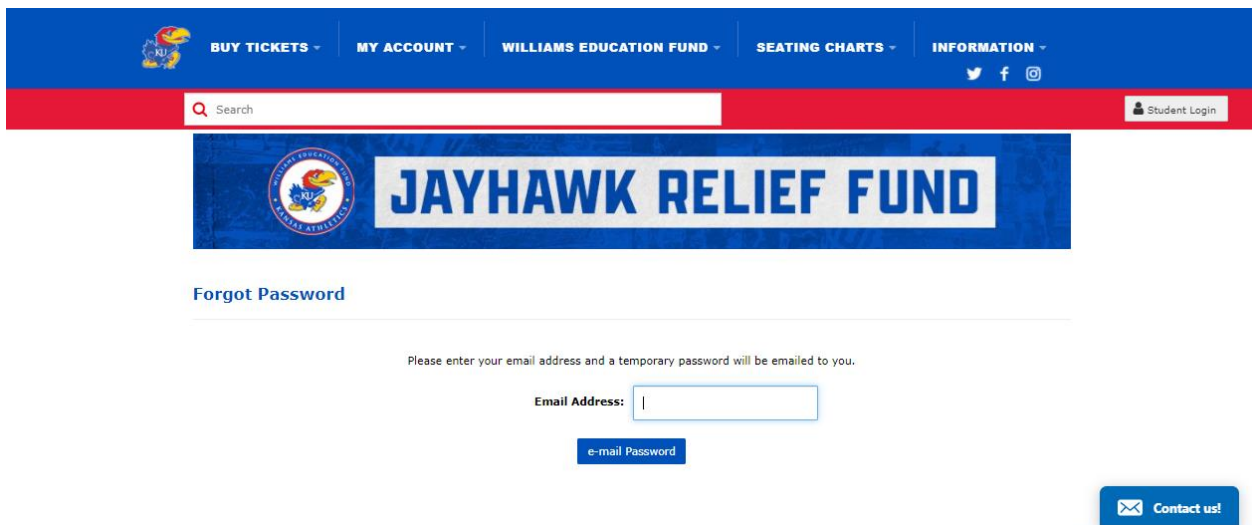

You may click on links on the header now or after you have logged into the system.

You may also go to the “Members” tab for three options. “Make Pledge Payment” will take you directly to the “Manage My Donations” screen.

Once you click on “Forgot Password?” enter your email address on the below screen. A temporary password will be sent to you. Use the temporary password and create a new password.

New Account - First Time Williams Education Fund Donor or Ticket Office Customer

Click on "Register Now" to create an online account that allows you to manage your donations, purchase tickets and edit your personal information.

[Register Now](#)

If you are a first-time donor or ticket office customer, click on "Register Now" in the bottom left. This means you have no account number in our system.

Existing Athletics Ticket Office Customer

Link your existing account for online access. This will enable you to manage your donations, purchase tickets and edit your personal information. You only need to link your account once.

[Link Your Account](#)

If you are an existing ticket office customer, donor or K Club member, but have never logged into your online account, click "Link Your Account." You will need your customer number and PIN number in order to complete this step. Please call the Ticket Office or Williams Fund if you need the PIN.

What you DO NOT want to do is create a duplicate account. That could cause your priority points to be separated into different accounts and your priority would not be correct.

Once you log in, you will arrive on the “My Account” page. Here you can edit your address, email address or phone numbers. You may also view ticket and/or donation details, buy tickets or make donations. If you are a current donor, you will see your Donor Representative at the bottom of the My Profile section.

This is the best choice if you want member benefits.

YOUR PAYMENT METHOD MATTERS

Kansas Athletics would like to better utilize the approximately \$800,000 it spends annually on credit card fees for donations and ticket purchases. Saving on those fees allows Kansas Athletics to better support its mission to serve, facilitate, promote, and enhance the student-athletes' academic and athletic experiences at KU. Please consider one of the options below to ensure your Williams Education Fund donation makes the biggest impact on Jayhawk student-athletes:

- I will pay by bank transfer instead of credit card, which significantly reduces fees.
- I will pay by credit card and wish to pay an extra 2.5 percent to further my gift's impact.
- I will pay by credit card and choose not to cover the fees.

WAIVE POINTS

By checking this box, I acknowledge that I will not receive any Williams Education Fund benefits including priority points, tickets or parking. For any questions regarding tax deductibility of this gift, please consult your tax advisor.

AUTO RENEW OPTIONS

- I elect not to opt-in for pledge auto renewal.
